④

DELIVER TO JOB SITE

christmas  
in a box

Your decor package arrives job-site ready  
for a fast and efficient installation.

All orders ship in an extra-tough box for  
delivery to job-sites and off-site storage.

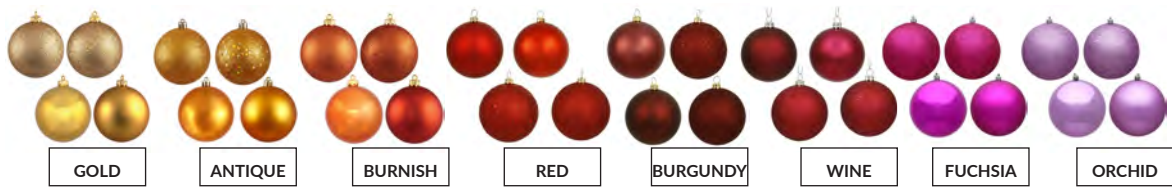

## HERE TO HELP YOU HOLIDAY

# DESIGN YOUR OWN THEME

Our fabrication facility is custom crafting holiday decor elements year round. We make it a full-time job for us so it doesn't have to be for you.

*Any of our theme collections can be a starting point for full customization. For complete customization options, start with one of our base themes to alter with any number of complimentary colors to create a design that is uniquely yours.*

\*AVAILABILITY SUBJECT TO CHANGE

# PRE-DESIGNED THEMES

For convenience we have created numerous pre-designed theme collections from our most popular element styles and color themes. These themed collections can adorn any combination of elements to deliver a cohesive, turn-key holiday program that can scale with ease.

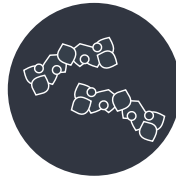

*Select or customize a design theme any apply it to any of our decor elements, from a 24" wreath to a 12'+ tree.*

## PRODUCT ADVANTAGES

- durable heavy-duty PVC & steel frame construction*
- custom manufactured trees designed to our specifications*
- drilled & wired ornaments to ensure proper placements*
- shatterproof & UV coated ornaments resist breakage*
- low-voltage, long-life LED light sets standard*
- extra tough storage boxes ensure decor is safe in transit & storage*

an extra ring of branches at the base of our trees close the floor gap for a full top-to-bottom appearance, eliminating the need for tree skirts.
